 - Interested should be directed to advertise in Journal
 - Non-Vet Members need to agree not to “advertise” VBMA membership to promote their profession
 - Ideas from Amy (repeat for review):
 - Poll our current members: what membership benefits they utilize, what they could do without, and what they'd like to see more of.
 - More teleseminars, if cost effective or other learning opportunities for members and non-members. (Jasmine update) The issue with having more is finding the speakers, which has been difficult lately. We would need to create a speaker committee (2 person minimum – Cindy being 1).
 - Addition of case reports and white papers to the member site, indexed so they're easy to find (we could make this a poll question to see if the interest is there). We have great case reports, but they're all in the Journal and it's not being read by all our active members.
